After selecting the species you wish to try for, total the costs of the species tags, hunting license, Non-Resident Hunter Preservation Fund (NRHPF) and the fishing license if you wish to fish. Send a check payable to "High & Wild Wilderness Safaris Inc." for these licenses and tags and we will have them in camp for you upon your arrival. Send together with other required forms and payments (see Required Forms and Payments).

The species tags, NRHPF, hunting and fishing license fees are in Canadian funds. If paying in US funds, deduct 15% off your total to cover the difference in the exchange rate. If you have over paid, we will put a credit forward and reimburse you upon arrival.
