SUGGESTED HUNTING GEAR

for a 10 - 15 day hunt duration

(Please restrict your weight to 75 lbs)

High quality sleeping bag with one inch foam or air mattress (supplied, if to much trouble)

- 1 - rifle (270 to 338 range recommended)
- 40 - rounds of ammunition
- 1 - leather or vinyl rifle saddle scabbard. If you can not find one we do have a few at our camps
- 1 - full set of rain gear
- 1 - heavy coat
- 1 - light jacket and vest
- 3 - pairs of pants
- 4 - shirts
- 3 - suits of warm underwear
- 6 - 12 pairs of socks
- 2 - pairs of gloves
- 2 - pair leather boots with vibrim type soles
- 1 - pair camp slippers as outdoor boots are not allowed in the cookhouses due to local soil type
- 1 - sweater
- 1 - cap with ear flaps
- 1 - canteen

We recommend that at least one full set of outer clothing be made of a woolen or quiet type material as these will greatly increase your chances for a successful hunt, camo is recommended.

Every major camp comes equipped with shower facilities and washing machines for your own use and convenience.

Large duffel bags are very hard to pack on horses, so please pack two small bags in place of one large bag.

Maximum size of 36" x 18" please.

Optional: Binoculars, spotting scope, knife, day pack, camera or camcorder, chapstick, chocolate bars, pop, beer, whisky and meat bags for those who wish to take some meat home.
